SOLUTION

We are the  
Exporters | Importers | Intenders

---

[www.koringatradex.com](http://www.koringatradex.com)

The background image shows a complex industrial environment, likely a manufacturing plant. It features large, metallic machinery with various pipes, valves, and structural elements. The lighting is bright, creating some lens flare effects. Large, diagonal orange shapes are overlaid on the image, framing the text on the left and extending across the right side. The overall aesthetic is modern and industrial.

## Company Profile

Koringa tradex LLP is one of leading trading company. We work as merchant exporters, Importers and intenders. We are into the trading business since 1973. Since we have 50 years of experience into the field of trading we take a pride of being one of the oldest and one of the largest growing companies in this segment. Our Headquarters are located at Rajkot, Gujarat, India. We have a giant portfolio of products like, Consumer Electronics, All Kind of Paper and Allied products, Ceramic Tiles & Sanitary wares, Healthcare Products.
